

Burning of Indigenous Traditional Medicines Location Notification

THIS ROOM (**add room #**) WILL BE USED AS A LOCATION WHERE TRADITIONAL
MEDICINES WILL BE BURNED.

This ceremony involves the burning of Indigenous Traditional medicines for spiritual purposes. The smoke produces a distinct aroma, but the smoke associated with it is minimal and lasts a very short time. This ceremony is used to purify the energy in the room and to help create a positive mind set.

This notification must be posted on the door(s) during the ceremony.
